REVIEW SUMMARY:

Great to give as a moment of inspiration, thoughtfulness or motivation. The I Have Fun When Thought Cards are sure to bring a smile to the face of the one who receives it, and is sure to spark new ways on how they can have fun with you.

The cards are held in a small little tin box, so they are easy to store without losing them or becoming soiled or bent. Now you will have a thought card at the perfect moment.

Each card has a "thought starter", much like a story starter ... You just complete the thought and give it to someone special. It is sure to brighten their day and put a twinkle in their eyes!

Everyone needs a pick me up now and then ... What a great way to let them know you are thinking of them and how much you care.

Many more styles to choose from, so visit Smiles Made Easy to choose your perfect match!
