**REVIEWER'S THOUGHTS:**

I love this idea! It is handy, easy, thoughtful, and beautifully detailed and packaged. Now everyone will remember to drop mom a love note, thanking her for being a great mom. There will simply be no more excuses (smile).

Packaged in a cute tin about the size of a secrets box, there are app 15 cards and envelopes inside. On each card there is a starting thought ... EXAMPLE: You're a great mom because ... or You make me feel special when ... You then finish the thought on the allotted space. Once you have finished, simply drop it in the mini envelope and give it to mom. TERRIFIC to add to a bouquet of flowers, EXCELLENT for placing on the ribbon attached to a gift, and AWESOME to simply hand to mom and say "I Love You!"

Smiles Made Easy has many topical sets available for you to check out. This one focuses on mom, and the others have topics such as I am Proud when ... which would be perfect for sharing with your children when they have made you proud or had a rough day or tough assignment at school ...

Tuck a tin away in your purse and have them handy for those special moments when you want to make someones day. This is a great pick me up when they have had a rough go of it.
