## REVIEW SUMMARY:

Want to let your kids know how proud of them you are? Looking for that little something that you can give at the spur of a moment, when you want to convey your love and thoughts?

Want to find a perfect way to motivate your spouse or children to the actions you wish to see more of?

Think THOUGHT CARDS! These are a perfect way to show that someone special that you care and are thinking of them. With the I AM PROUD WHEN >>> theme, you can send a thoughtful motivational message again and again.

Leave one on the bathroom vanity - Hubby is sure to have a great day now! Leave one on the kitchen table - sharing with your children how much they mean to you. Hide one in a lunchbox, or mail it in a letter to someone you care about ... There are so many occasions that we never seem to take time out for, when those we care about need to know that we do ...

Visit Smiles Made Easy for many such card collections that are perfect or any occasion or no occasion at all. It should not take a special day to let those around us know we care.

A theme is set into place on the card, with lines for you to complete your thoughts. They are a great way to send a short message of love and inspiration to friends and family members.
